## 'Cash for ~~Clunkers~~ Catalogs Program'

Our new 2010 **Hurst** 'Everything for the Office' catalog is on its way to you. This 'big book' has 200 more pages and 2000 more products than last year's catalog. More importantly, this new catalog also features our new cost-saving **Universal** brand of products. By adding **Universal's** selection of high-quality low-priced items to our existing selection of **Legacy** papers and toners, we now offer over 2000 private label products to help you save money.

Since our older catalogs do not feature our new **Universal** branded items, you will want to take them out of circulation immediately. This will ensure that your staff will only see and order the products that give you the best value. To help with the environmentally friendly disposal of all your older office supply catalogs, **Hurst** will pick them up for you and have them recycled.

As an additional benefit, you will receive an entry into a prize drawing for each catalog that we pick up from you. **The Grand Prize is a \$250 Visa Gift Card, and we will also give away ten \$25 Gift Cards!** All you have to do is write your name, company name, and phone number on the cover of each catalog that you are returning to us for recycling. This applies to all 2009 or older office supply catalogs, even if they are from another vendor.

Those of you in larger offices can increase your chances of winning by rounding up all the office supply catalogs in your office. When your catalogs are ready to be picked up, just notify our driver when he delivers your next order. In order to qualify for our prize drawing, your catalog must be picked up by February 26<sup>th</sup>. The prize drawing will be held March 2<sup>nd</sup>. You need not be present to win.
